

Job Search

My name is Steven Ridge and I am looking for full-time seasonal work in Parga. In my previous employment I was a chef for a total of eighteen years for Mitchells and Butler in the UK, twelve of those years as head chef for Toby Inns which is part of the Mitchells and Butler pub chain. During my employment with them we attained a rating of 100% and 5 stars for hygiene, being the first in the country to receive that rating.

Wanting a change in life, in 2000, I became a holiday rep and I have spent the last sixteen seasons working in both Spain and Greece. I have now settled in Greece and am living in Parga.

I am available to work seven days a week covering Pool Bar hours, preparing and serving breakfast, snacks, and drinks throughout the day, and possibly for special evenings such as BBQs, Greek Nights, Steak nights, Curry nights etc. I am also a qualified Lifeguard, which I feel would be a great asset to a pool bar.

Having worked as a rep in Parga I feel I would be an asset to guests and employer as I love meeting and getting to know people and having an extensive knowledge of the area I can pass on information and advice to holiday makers to help them enjoy their stay in Parga.
